

# REACHING OUT

**Sponsor:** Rotary Club of St. Albert.  
A financial grant to a maximum of \$200 per child.

**Purpose:** To assist children who would not otherwise be able to participate in developing talents and life-long interests because of their family's financial situation.

**Rationale:** Children who belong to organizations or who take lessons to develop interests/talents develop competencies which become assets in assisting them as they grow. Those who do not develop assets are often at risk of withdrawing from community activities and become susceptible to dysfunctional behaviors.

**Reaching Out** is targeted at developing positive assets in our young people.

**Target Demographics:** Students living in St. Albert.

**Funds Provided:** To financially assist families living in St. Albert with children who are not participating in any extra-curricular activities, lessons or other group interests.

**Teachers/councilors** will complete the [Reaching Out Application](#) under Grants Available at <http://stalbertrotaryclub.com/>
